BHEC Information

Black Hills Electric Cooperative is a non-profit, member-owned electric utility serving more than 8,250 member-owners in western South Dakota. It is the fourth largest of the 28 rural electric distribution cooperatives in the state. The Cooperative has assets of more than \$68 million and annual revenue of about \$22 million. BHEC has almost 2,700 miles of power lines and 28 employees.

The Cooperative is governed by a seven-member board of directors elected by the members at the annual membership meeting each year in May or June. Each director is elected at large from one of three geographical areas for a three-year term.

Director Positions to be elected in 2022:

Two director positions will be voted on at the annual membership meeting at Hot Springs on Thursday, June 2, 2022:

— One director will be elected from the geographical area of Meade, Pennington, and Lawrence Counties. The incumbent, Dave Lindblom, is running for re-election.

— One director will be elected from the geographical area of Custer & Oglala Lakota Counties. The incumbent, Jim Preston, is running for re-election.

Nomination and Election Process:

There are two ways a member may be nominated for a director position:

1. Nominating Committee (Signed application due by Friday, February 11, 2022.)
2. Petition of 50 or more members returned by May 3, 2022.

The nomination committee will review applications and résumés and interview prospective candidates.

Pursuant to BHEC Board Policy 111, a candidate selected by the nominating committee or by valid petition may request a membership and address list for the purpose of campaigning. The list must be returned within 10 working days after BHEC's annual meeting.

Nominees will be featured in the Annual Report to be mailed to all members prior to the annual meeting. They will also be given approximately five minutes to speak at the meeting. Election is by secret ballot of members attending the annual meeting.

Service expectations as a director:

An individual on the board of directors can expect to serve a number of days in a given year. A realistic example of service would be as follows.

1. A minimum of twelve regular board meetings per year. These meetings are typically held at the headquarters office in Custer on the first Tuesday after the third Monday of each month. Meetings start at 8:30 a.m. and are usually over by 4:00 p.m.
2. Involvement in Cooperative training courses, seminars, and conferences for a total of between 5 and 15 days per year. These meetings normally last from two to four days each and are held at various locations throughout the year.
3. Attendance at the annual meeting of members, and from time to time, local area meetings.

Excerpt from Black Hills Electric Cooperative Bylaws (as Amended – 2013)

**ARTICLE IV
DIRECTORS**

SECTION 1. General Powers. The business and affairs of the Cooperative shall be managed by a Board of seven Directors elected two from the geographical area of Custer and Shannon Counties, two from the geographical area of Fall River County, and three from the geographical area of Meade, Pennington and Lawrence Counties, which said Board of Directors shall exercise all of the powers of the Cooperative except such as are by law, the articles of conversion or by these Bylaws conferred upon or reserved to the members.

SECTION 2. Election and Tenure of Office. The Directors of the Cooperative shall be elected by secret ballot by and from the members of the Cooperative. If only one Director candidate is nominated for a Director's position in a geographical area as provided by Article IV, Section 4, no election shall be held for that Director's position and the Chairman of the meeting shall declare the sole Director nominee to be elected. In 2015 the Director representing the Meade, Pennington, and Lawrence Counties geographical area receiving the most votes shall be elected for a term of three years and the Director representing the Meade, Pennington, and Lawrence Counties geographical area receiving the second most votes shall be elected for a term of two years. In the event of a tie vote or in the event no election is held because there is only one nominee for each position, the Director elected for the term of two years shall be determined by drawing of lots. In all other elections Directors shall be elected for a term of three years and shall serve until their successors have been elected and qualify. If an election of Directors shall not be held on the day designated herein for the annual meeting, or at any adjournment thereof, a special meeting of the members shall be held for the purpose of electing Directors within a reasonable time thereafter. Directors may be elected by a plurality vote of the members.

SECTION 3. Qualifications. No person shall be eligible to become or remain a Director of the Cooperative who has been employed by this or any other electric cooperative during the previous five years, or who is a close relative of an incumbent Director or of an employee of the Cooperative, or who has been convicted of a felony in any court of law in the United States of America, or who is not a member in good standing of the Cooperative and receiving service therefrom at his or her primary residential abode.

No person shall be eligible to become or remain a Director of, or to hold any other position of trust in, the Cooperative who does not have the legal capacity to enter into a binding contract or is in any way employed by or financially interested in a competing enterprise, or electric utility, or a business selling electric energy to the Cooperative, or a business primarily engaged in selling distributed generation equipment such as wind turbines, solar systems, or fuel cells to, among others, the members of the Cooperative.

Upon establishment of the fact that a nominee for Director lacks eligibility under this Section or as may be provided elsewhere in these Bylaws, it shall be the duty of the Chairman presiding at the meeting at which such a nominee would otherwise be voted upon to disqualify such nominee. Upon the establishment of the fact that any person being considered for, or already holding, a Directorship or other position of trust in the Cooperative lacks eligibility under this Section, it shall be the duty of the Board of Directors to withhold such position from such person, or to cause him to be removed therefrom, as the case may be. Nothing contained in this Section shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors, unless such action is taken with respect to a matter which is affected by the provisions of this Section and in which one or more of the Directors have an interest adverse to that of the Cooperative.

SECTION 4. Nominations. It shall be the duty of the Board of Directors to appoint not less than forty-five days or more than one hundred eighty days before the date of the meeting of the members at which Directors are to be elected, a committee on nominations consisting of not less than five nor more than eleven members who shall be selected from different sections so as to insure equitable representation. No member of the Board of Directors may serve on such committee. The committee, keeping in mind the principle of geographical representation, shall prepare and post at the principal office of the Cooperative at least thirty days before the meeting a list of nominations for Directors which may include a greater number of candidates than are to be elected. Any fifty or more members acting together may make other nominations by petition not more than one hundred twenty days nor less than thirty days prior to the meeting, and the Secretary shall post such nominations at the same place where the list of nominations made by the committee is posted. The Secretary shall mail with the notice of the meeting or separately, but at least ten days before the date of the meeting, a statement of the number of Directors to be elected and the names and addresses of the candidates, specifying separately the nominations made by the committee on nominations and also the nominations made by petition if any.
